## CFO NETWORK

CROWNE PLAZA  
GURGAON

[www.cfonetwork.in](http://www.cfonetwork.in)

# Overview

More than 300 participants from all over the country met at Crowne Plaza, Gurgaon, on November 28 to exchange ideas and good practices, create and strengthen partnerships, foster learning, and discuss the topic 'Modernization of the future finance organization and CFOs, Digital and Data-driven finance leadership, & upcoming trends in Fintech'. The occasion was THE CFO NETWORK SUMMIT

CEOs, CFOs, Heads of Finance, Sr Finance Directors, Finance Directors, Sr Vice Presidents of Finance, Vice Presidents Finance, and Finance experts from the fields of lifelong learning came together to guide fellow finance professionals in implementing lifelong learning to support the achievement of the business Goals.

The conference was a platform for exchange, built on the understanding that lifelong learning is key to building sustainable goals and results, that the finance world is on the front line of Digitization, and Technology are a crucial drivers in the achievement of an evolved finance strategy to enhance businesses.

Discussions centered on topics such as Impact of GD-PR, AI, Automation, Modernization of the future finance organization and CFOs, Cyber threats and security along with digitation towards implementation, measurement and achievement of Yielding Goals at various levels of organisations varying in size, with the various sessions featuring presentations and case studies from industry experts as well as leaders.

It was a closed-door and invitation-only event
